1. The Ministry of Railways, in agreement with the Ministry of Road and Air Transport, is limiting railroad traffic on short-distance sectors. On such lines the transport of passengers, luggage and freight is being stopped; this will be undertaken again by the P.K.S. (State Motor Transport).
2. In the future, the P.K.P. (State Railways) will restrict short-distance sectors to transports of military personnel and supplies, and to the P.K.P.'s own requirements.
3. The decrees of the Ministry of Railroads and the Ministry of Road and Air Transport, dated 4 January 1954 concerning the Twarda Gora - Nowe sector under the Gdansk (Danzig) D.O.K.P. (District Directorate of State Railways) and Kamienna Gora-Okrzeszyn sector under the Wroclaw (Breslau) D.O.K.P. are examples of the new ruling.
